

Tax Manager

Draffin & Tucker, a regional CPA firm is seeking a client-focused self-starter with 7+ years of recent public accounting tax experience to lead tax engagements in our Albany, Georgia office.

This is a great opportunity for an experienced tax manager to bring your expertise to a growing firm with career growth opportunities, competitive compensation package and work life balance.

In this role you will provide tax research, planning and consulting services to a diverse range of clients.

Essential Functions:

- Review income tax returns for individuals, corporations, partnerships, trusts and estates
- Manage engagements to ensure exceptional client service and expected realization rates
- Lead and manage tax research engagements for both compliance and planning matters
- Review staff work and providing timely, specific, and meaningful feedback
- Lead and mentor staff while maintaining multiple client engagements and competing priorities
- Stay current on regulatory and industry changes and implement new standards

Qualifications:

- Certified Public Accountant (CPA) license,
- Minimum of 7 years of public accounting tax experience, including at least 2 years of supervisory/review experience
- Expert knowledge of tax compliance and planning
- Bachelor's or Master's degree in accounting
- Excellent client service skills
- Strong internal and external communication skills
- Experience writing technical memos
- Ability to communicate and work with taxing authorities

This opportunity offers a competitive compensation package, partner track potential, and a great work environment and community.

Interested candidates please send a resume and cover letter to Cheryl Glover, HR Manager at cglover@draffin-tucker.com
